Dr. Shamsuddin
Professor & Head

Dated : 22.6.2009

CONDOLENCE MESSAGE

We, the members of BHUMET family are deeply saddened to learn about the passing away of Prof. Tanjore Ramachandra Anantharaman on June 18, 2009 in USA at the residence of his elder son Sri Thomas S. Anantharaman. As is well known Prof. Anantharaman had served as Head of the Department from 1962 to 1977. This happened to be the glorious period of the Department during which he not only shaped the destinies of several of us in research life but also brought international recognition to this pioneering Department by his dynamic leadership. He also held the position of Director, Institute of Technology; Rector and Officiating Vice-Chancellor of Banaras Hindu University. These positions enabled him to bring in many transformations in the functioning of this great Institution of learning. He had been a perfectionist and inspired everyone around to work with perfection.

He is survived by his wife Smt. Priyamvada, two sons Thomas and Martin and daughter Karuna.

In this hour of grief we express our hear-felt condolences to the bereaved family and pray the Almighty that his soul may rest in peace.

(Shamsuddin)

HEAD OF THE DEPARTMENT
